

HAAHE Presents:

*Facility Management in the DNV NIAHO® Accredited Hospital:
Changes and Challenges for 2014*

Randall S. Snelling
Chief Physical Environment Officer,
DNV Healthcare Inc.

May 8th at 11:30 AM – 12:45 PM
Crowne Plaza, Reliant Park/Medical Center
8686 Kirby Drive, Houston, TX 77054

Program:

This session provides an overview of the DNV Healthcare NIAHO® Physical Environment (PE) survey process, including survey team composition, surveyor focus, and processes unique to the DNV survey. In addition to this overview, focused topics will include current issues affecting DNV Accredited Facility Systems Managers such as the incorporation of ISO 9001 and infection control processes, interpreting third-party codes, and new CMS focus on categorical waivers, alternate equipment maintenance (AEM), and emergency management.

This session will enable the attendee to:

- Describe the DNV Physical Environment survey process, including unique methods.
- Outline how integration of ISO 9001-2008 requirements affects development of a hospital's system management procedures.
- Discuss in depth the current issues, common findings, code clarifications and infection control integration into NIAHO® Facility Management systems
- Discuss the corrective action plan and appeals process actions expected of DNV client hospitals as a result of NIAHO survey findings.

About the Speaker:

Randall "Randy" Snelling is the Chief Physical Environment Officer at DNV Healthcare, Inc. He is responsible for oversight of DNV Healthcare Physical Environment Specialists and survey activities. Randy's responsibilities include ensuring surveyor staff maintain competency in areas of the physical environment, LSC, NFPA and related codes and regulations. Randy manages all inquiries regarding the physical environment aspects and standard requirements. He has had an integral role for the development of the NIAHOSM Accreditation Program under deeming authority from the Centers for Medicare and Medicaid Services (CMS) and is responsible for Physical Environment standards, interpretive guidelines, and comprehensive survey process.

Randy has more than twenty five years of experience in various roles related to environmental, safety, equipment, and utilities management. He retired from the utility industry as a master electrician but also has a background as a millwright, machinist, and welder. He founded a consulting firm, Workplace Solutions, to consult with healthcare and other industry settings for improvement of safety practices.

Randy's educational background includes a Bachelor of Science in Occupational Education from the University of Louisville, ISO 9001 Lead Auditor, and numerous certifications in the maintenance and building industries.

About the Organization:

HAAHE is a non-profit group organized specifically for the benefit of the Healthcare Facilities Management team. Membership is focused on Hospital Facilities and Safety Management staff. In addition, Engineering Consultants, Contractors, Vendors, and Architects whose primary function is to provide consulting, design services, and products to the hospital engineering environment are welcomed.

The purpose of HAAHE is to provide a forum for continued improvement of hospital engineering in the greater Houston area. The venue for improvement will be through education, sharing of experiences between members, and presentations by experts in their respective field on a bi-monthly basis. If you are already a HAAHE member, please get involved by attending our meetings every other month. If you are not yet a member, you may join by completing a membership application at the next meeting. Lunch is included and will be free for paid members and \$15 for non-members.

For the Calendar year 2014, we are now accepting membership renewals. Membership fees will be:

Hospital employees:	\$50.00 annually
Vendors/Associates:	\$100.00 annually

Sponsorship:

Sponsorships are available for each luncheon session. For \$300 per vendor, you will be allotted a single table space to display brochures and wares prior to the luncheon presenting, will be recognized on our website as a luncheon sponsor, and will be introduced prior to the session start. An exclusive sponsorship arrangement is available for \$1,200. Please contact us at paul@consoli.net with any questions or sponsor requests.

Location:

The Crowne Plaza Reliant Park/Medical Center is located at 8686 Kirby Drive, Houston, TX 77054. It is physically located at the northwest intersection of Loop 610 and Kirby Drive, across from Reliant Park. For directions:
